

New book

by Rita Corbridge
Pannal Methodist Church, Harrogate, has recently celebrated its centenary. However, its origins go back over 250 years, to a violent encounter that brought one man near to death and prompted another man to start a new life.

Read the fascinating story of Pannal Methodists, from their earliest times to the lively, forward-looking congregation of today, in Hilltop Heritage.

Proceeds from the sale of this book go to support charitable projects.

To order:

Price: £6.99 plus £1.25 package and posting.
